CONNECT WITH US:

@GAMESHME

Join a Committee

Our committees are an essential part of our association's work, providing valuable insights, expertise, and guidance on a range of important topics related to our industry.

★ LEGISLATIVE COMMITTEE

The Legislative Committee plays a crucial role in keeping our members informed about legislation, policies, and regulations that impact the home medical equipment industry. We monitor proposed and existing laws and regulations at both the state and federal levels and provide regular reports to our members, highlighting the potential implications and opportunities for action. By staying up-to-date on legislative developments, we help our members stay ahead of the curve and advocate for policies that support their businesses and patients.

★ MEMBERSHIP COMMITTEE

The Membership Committee focuses on member recruitment and retention by reviewing and promoting our membership benefits, which include a range of resources, educational opportunities, and networking events. Our committee works to enhance the value of our association for all members.

★ EVENTS COMMITTEE

The Events Committee plays a vital role in promoting member education by organizing events, both in-person and virtual. Our committee plans and coordinates meetings and webinars that offer valuable learning opportunities and networking experiences for our members. By joining the Events Committee, you'll have the chance to contribute your creativity and expertise to help create engaging and informative events that support our members' professional growth and success.

Attend GAMES Legislative Day at the Dome

Members are invited to join us for our annual Day at the Dome event, where members come together in person at the Georgia State Capitol to meet with legislators and discuss the critical role of home medical equipment in improving patient care. This event is a unique opportunity to engage with policymakers and advocate for policies that support our industry.

Expand your HME Network through GAMES Events

As a member of GAMES, not only will you have access to valuable resources and information, but you will also be connected with like-minded individuals facing similar challenges.

Every year, GAMES holds its Annual Meeting & Exhibits where Georgia providers can gather for networking and education opportunities. The event allows company leaders to meet face-to-face and exchange experiences, insights, and knowledge with one another. This kind of networking is essential for building strong relationships and elevating the GAMES community. We encourage all members to attend and take advantage of this valuable opportunity to learn and connect with their peers.

In supporting GAMES and participating in our events, you are helping to ensure the longevity of this organization. Together, we can continue to provide invaluable support to HME companies throughout Georgia.

Provider Member Application/Renewal Form

Please email this completed form to lauryl@gameshme.org to create your online profile and generate your membership invoice. Your invoice will be emailed to the Main Contact listed below.
